School.

**EVERYONE IS
WELCOME!**

Our Mission

The Quesnel Community Garden addresses the issue of food security by providing community members with a garden space to grow their own fresh, healthy, and affordable food. It also gives community members an opportunity to learn from each other, to share gardening skills and to meet new friends.

Goals

- Bring neighbours together to learn and share knowledge of food.
- Create beautiful green spaces.
- Reduce ecological footprint.
- Teach children about nutrition, live sciences, and sustainability.
- Provide gardeners with regular exercise and recreation.
- Provide opportunities for growing healthy, affordable food for those in need.
- Provide a source of pride in our community.

Vision

The Quesnel Community Garden's vision is to involve the community as a whole to participate in the development, growth, and beautification of the community garden.

Rules and Expectations

- ❖ Respect all people, plants, and equipment.
- ❖ Nurture growth and beautification in all aspects of our community garden.
- ❖ Contribute some of your time to help maintain the garden and enjoy the fruits of your labour.
